

Summer KidKamp 2010

June 21st – 25th

Theme: Australia: The Land Down Under

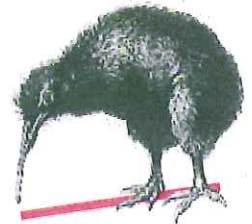

This week we travel to the other end of the world as we explore Australia. Kampers will study aboriginal artwork as they create various types of drawings and paintings, learn about animals unique to what we see here in the states, and gaze at beautiful photographs of this mysterious land. They may even pick up on some Australian slang throughout the week!

Besides trips to KidzPlex and the Community Center, the Mountain Lion group will be challenged on the Low Ropes course at CMC, while the Fox and Bear groups will enjoy an afternoon of fun at Johnson's Miniature Golf course in west Glenwood Springs.

It was a real treat this past week to have Suzie Alcott share her creativity and enthusiasm through storytelling. She has a wonderful way of making her theme related stories come alive! We also welcome Jeff Kennedy who is giving of his time twice a week

to teach the kids karate. I have to say, we have some pretty enthused participants!

If you have any questions or concerns do not hesitate to contact me at 384-6314 (office) or 319-8683 (cell).

*Sincerely,
Stephanie Smith
KidKamp Supervisor*
