

Summer KidKamp 2010  
 Week 3  
 June 27<sup>th</sup> - July 2<sup>nd</sup>  
 Theme: Ancient Egypt

During Week 3 of KidKamp we will travel back in time to ancient Egypt. Kampers will learn about life on the Nile through storytelling, art projects, games and activities.

This week's field trip will take us to the Art Dague Pool in Rifle where kampers will have fun using the outdoor pool and waterslide. The bus leaves at 11:30 am so we ask you to have your child at the Sopris site by 11:00 am.

We want to thank Jennifer Vanian and Kacey Beckler for their planning and help in the Community Garden. KidKampers have a pumpkin patch that they have been weeding and planting in. We just cleared another small area to put little teepees for bean plants to climb up. The kids have done a wonderful job of working together and have brought with them great attitudes and an excitement for learning.

Sincerely,  
 Stephanie Smith  
 KidKamp Supervisor
