

Summer KidKamp 2010
Week 4
July 5th - July 9th
Theme: Mad Scientists

Wow! Time is flying and we are into the 4th week of KidKamp already! This week the mad scientists will be exploring a lot of crazy ideas, all in the name of science.

On Friday our field trip takes us to the New Castle Superbowl for an afternoon of bowling. The bus leaves at 10:30 am so please have your child at KidKamp by 10:00 am. Thank you! Thursday will be a day of fun in the sun with a BBQ and water games. As at every day of camp we ask that you make sure your child has appropriate clothing and sunscreen.

Week 6's theme is Green Week. We are collecting CD's, books you don't care if the pages get cut into, and small objects for the mosaic vase. For the vase you could keep a collection at home and bring them in at the beginning of week 6. These objects should be no larger than a half inch and might include, small shells, interesting pebbles or beans, buttons, sea glass, small cones, small pieces of tile, cheap jewelry, etc., etc. Thanks for your help!

Sincerely,
Stephanie Smith
KidKamp Supervisor
