

*Summer KidKamp 2010*

*Week 6*

*July 19<sup>th</sup> - July 23<sup>rd</sup>*

*Theme: Green Week*

*It's hard to believe our 6<sup>th</sup> week of KidKamp is upon us. During Green Week your child may come across new ways to reuse and recycle, or may even want to share some of their own ideas with us! We did not collect enough materials for our mosaic vases, but we will create another type of vase with our recycled bottles. I'm sure they will turn into some type of incredible masterpiece none the less!!*

*On Thursday our field trip will take us to beautiful Rifle Falls for a little hiking and relaxation, and also to the Rifle Fish Hatchery. The bus leaves at 9:30 so please have your child at KidKamp by 9:00!*

*Sincerely,*

*Stephanie Smith*

*KidKamp supervisor*
